

PEGASUS AWARD

We are again accepting nominations for those special horses that you all know or have known. To be considered for this award this special horse needs to have competed in LAHJA sanctioned horse shows at some point during his career. This does not need to be a horse who has won hundreds of blue ribbons and year-end championships, just one who has done his job well and earned your love and respect.

Please take a few minutes and write to us, tell us why your horse or a horse that you know deserves this special honor. The LAHJA Board will review all submissions, and the award will be presented at our annual Awards Banquet. Please address your submission to the LAHJA office – 480 W. Riverside Dr., Suite 1, Burbank, CA 91506 (attention Pegasus Award).

Nominations for the Pegasus Award must be received November 15th.

Name of Nominee:

Reason for Nomination:

In order to be counted nominations must be returned no later than November 15, 2017

Dorothy Groth Sportsmanship Award

The Dorothy Groth Sportsmanship Award is presented to the junior or amateur exhibitor who best demonstrates the qualities of good sportsmanship throughout the show year. Good sportsmanship is evaluated on how a rider interacts with his/her horse, other competitors, officials, trainers and grooms, regardless of whether he/she wins or loses during competition.

The Sportsmanship Award Committee will review all nominations. The committee will then select the winner of the award based upon the above criteria, **not upon the number of nominations**. The winner will be presented with the Dorothy Groth Sportsmanship Award perpetual trophy at the LAHJA year-end banquet.

Please nominate one **JUNIOR or AMATEUR LAHJA MEMBER** that you feel has displayed good sportsmanship throughout the current show season. Please address your submission to the LAHJA office – 480 W. Riverside Dr., Suite 1, Burbank, CA 91506 (attention Dorothy Groth Award)
