

Los Angeles Hunter Jumper Association

Rule changes effective 01/01/2017

PART II: ANNUAL CHAMPIONSHIP AWARDS AND POINT SYSTEM

Section 5: POINTS

- h. If the Jr/Am/AO Jumper section or class(es) within the section does not fill at a given show, the open (non-restricted) jumper class of the same height will count for points. To receive points towards Jr/Am/AO standings from open classes, a copy of the official horse show results must be submitted to the LAHJA within 15 days of the horse show. Only the first four numbered classes competed in (plus the Classic) will count for points
- i. Jumper classics or stakes held separately from a regular jumper section that correspond with the year-end categories LAHJA offers will count toward year-end points. Points will be calculated using the same format as regular section classes. To count, the classic or stake must restrict entry by rider (Children's, Adult, Junior, Amateur, etc.). If an individual competes in more than one classic or stake at a given horse show, only the highest (within the height range of 1.20M to 1.30M) will count for points.

Part VII: LAHJA MEDAL CLASSES
