## LAHSA HORSEMASTERSHIP PRACTICES QUESTIONS

To help riders prepare for the LAHSA Horsemastership Competition, LAHSA's Education Committee is providing practice questions and topics for both the written test and the practical hands-on test. In addition, the U.S. Pony Club "B" Manual provides the foundation for the LAHSA Horsemastership Competition.

Have fun studying!

### Sample Written Test

1. Horse feed falls into three categories. Name the three categories.
2. "Bute" is a commonly prescribed medication for a horse. What is it primarily used for?
